

Tell Me Something Good...

ALL THE NICE THINGS PEOPLE SAY ABOUT OMNIKRON!

I recently passed my 4th ITIL Intermediate class thanks to the excellent level of instruction and support provided by the Omnikron team. The training materials and class recordings are very helpful and the instructors are extremely knowledgeable... I'm looking forward to continuing to work with the Omnikron team on other classes in the future!

- Amy Holmes / Client Services Management / Verizon

... I obtained my very first certification (PMP) after a great Omnikron course, and am grateful I got started successfully on that path. I also love all the new learning and competence initiatives you are focused on.

- Morten Sorensen / Project Management Office / Peraton

Omnikron classes are amazing! The students are so smart and fun to work with.

- Sam Torres / Consultant / Freelance Consulting

...they were even willing to fight for my rights with the Exin organization, to get the additional 30 minutes of exam time, which was initially not done. The passion that drives them - you can feel it on the other side of the world! The result - I passed the exam today with 100% :) Robin, Zuri, Heather - thank you thank you thank you!

- Damir Suban / IT Service Management / mStart

Thank you Omnikron for helping me get yet another certification!!! Your classes are very informative and really prepare me for the exams. Everyone is always very supportive, thanks for everything!

- Ray Waters / Enterprise Services / Virginia Information Tech Agency

I've worked with Omnikron Systems Inc. now for the last nine years. They have been instrumental in helping walk me through the process to reaching an ITIL Expert certification and beyond. In addition to training, Robin and her team are dedicated to doing whatever is needed to help IT professionals set and achieve their objectives.

- Keith Heider / Business System Consultant / Wells Fargo

You guys are the best! Brad Emm and Heather always go above and beyond to help me out when I need it.

- Tamara Boose / Project Manager / IBM
