Omnikron has been Creating Great Technical Leaders for 37 years!

Name, Title

Good morning Heather! Thank you for adding the missing content. I sincerely appreciate it! As you can see I am hard at work even at 2:00 AM my time! Thank you very much for your continued support! I am blessed to have you as my guardian angel at Omnikron! :-)

Frank Gil
Solution Architect,
Senior Sales Engineer

I took all my ITIL classes , including MALC with Omnikron, do not think I could have gotten through them all without the terrific training and support provided by the Omnikron team.

Bernadine Schache,
PMP, ITIL Expert

Thank you Omnikron, you helped me through my journey to ITIL Expert and now with your products and encouragement, I just passed the PMP exam on my first attempt!

Dan Nichols,
DevOps, CASM, PMP, ITIL Exp

I recently passed my 4th ITIL Intermediate class thanks to the excellent level of instruction and support provided by the Omnikron team. The training materials and class recordings are very helpful and the instructors are extremely knowledgeable. Thank you Eric and Julie for helping me get this far in my ITIL training path. And thank you Heather and Kristen for your top notch support! I'm looking forward to continuing to work with the Omnikron team on other classes in the future!

Amy Holmes,
Client Services Management

Passed 2 cert exams back to back, thanks to the quality instructors, excellent material, practice exams, and testing tips. Highly recommend Omnikron!

Jeffrey Benson,
Sr. Management Consultant,
Lean Six Sigma Black Belt, Scrum Master,
IT Project Manager

Omnikron's training staff and coordinators provide proactive and timely assistance and persistent reminders to keep you on schedule--from the first question about a cert--thru exam & congratulations, and on to the next course on your list. Thank you for helping me catch up on certs, and introducing me to a few new focus areas of interest.

Cheryl Combes, MBA

Omnikron ROCKS!!! I enjoy the instructors and how they make the virtual classroom exciting and keep the class engaging!

Teresa Williams-Dillard,
Project Manager

I'd like to say THANK YOU VERY MUCH to everyone at Omnikron. It is really a great team. In special to Heather King who provided great assistance during my ITIL certification path, including the last one I got today : ITIL MALC - ITIL Expert !!! Thank you all !!!!

Juliana Nogueira Azevedo,
Sr. Project Manager

Thank you Omnikron for helping me get yet another certification!!! Your classes are very informative and really prepare me for the exams. Everyone is always very supportive, thanks for everything!

Ray Waters,
Enterprise Services Lead

I enjoyed it as if I was there, listening and participating in the homework assignments, attempting test questions, listening to the theory, reading the preparation materials. The coureware is fantastic, but what is more important is the Omnikron staff, who is raising the expectations bar higher and higher! They are always there, despite the fact that we our timezones differ 9h. I would receive their replies promptly, Respect :) Robin, Heather - thank you thank you thank you!

Damir Suban,
IT Service Mgmt Team Leader

Just passed another certification test.....Thank you to everyone at Omnikron you guys are the best!!!

Arinze Okoye, MBA,
PMP, PSM, ITIL®
Project Manager Global Operations

Just passed a certification exam after a great course with Omnikron. Omnikron courses are led by incredibly knowledgeable and helpful professionals. Omnikron takes the time to identify and develop well constructed and relevant courses! I will continue to use Omnikron for my continuing education needs. Great work Omnikron team!

Jennie Moen, PMP
Problem Solver

Woo Hoo! Better late than never to post this but I really like working with the Omnikron team. I have taken several courses with them and two that stand out is the Negotiations for Business Leaders and most recently the Change Management Foundations Certification class! I passed the exam the first time around and the information provided in the class was stellar! Shout out to the instructor!

David P. Whittleton,
MAOM

Great online training by Omnikron Systems Inc. Passed the ITIL Service Transition Exam! Excellent support from Heather King and Zuri Miranda - thank you both!

Kamal Patel MBA,
Prince 2 ITIL v3
Service Transition &
Transformation Manager

Passed ITIL Foundations and Professional Scrum Master! Thanks for your training classes!

Claudia Garbizu, PMP
Project Manager

Thank you Omnikron! I couldn't have made it through the full ITIL certification cycle without all your guidance and help. Special thanks for all the effort to develop the Omniunicampus website and populate it with everything I needed to review for the exams... and pass. Heather, Eric, Julie and Robin... you are incredibly great training partners.

Steven Fulton, Director,
Program Management Office

I really like working with the Omnikron team. I have taken several courses with them and two that stand out is the Negotiations for Business Leaders and most recently the Change Management Foundations Certification class! I passed the exam the first time around and the information provided in the class was stellar! Shout out to the instructor!

Morten Sorensen,
Senior Director, PMO,
PFMP, PgMP, PMP, ITIL

Omnikron is so supportive and helpful and positive when training for ITIL certifications! I appreciate and value that so much!

Meryl Uranga,
PMP, ITIL® v3,
Solutions Architect

Great team of instructors. I always feel I am getting a good dose of real-world knowledge to apply what I learned. Especially Julie L. Mohr - an experienced teacher with an accessible personality - she keeps the classes intriguing and engaging.

Dan Flake, (IPT)
Service Delivery Consultant SME

Passed "ITIL RCV" with you guys. Couldn't have done it without all the support the instructors and coordinators. Also took your "Negotiation For Business Leaders" and was amazed at how insightful it was thanks to teaching from former FBI Hostage Negotiation leadership. You guys never disappoint.

James Frederick
Enterprise Solutions Project Manager,
PMP, ITIL-F, ITIL CSI, ITIL RCV

Omnikron has helped me grow in my career by offering pertinent training at a professional level. Keep the Leadership series going! Oh yes, and Brad is totally awesome. He assures everyone knows what's new and when it will be available. Robin, thanks for reaching out to me when I really needed the help too. Omnikron is always going above and beyond to help. Thanks y'all!

Claudia Adams,
Manager of Program Management

Love the work you do Robin and team!

Florida Starks,
Change Management Expert,
Education Leader, Multi-Gen Workplace
Coach, Keynote Speaker

Love love love you guys. I have learned so much the past year with all my classes and my resume is going to look fabulous when I'm done! Wouldn't go anywhere else!

Linda McManus,
Public Sector Order Management
Team Lead

Robin, thank you for your amazing Team! Especially Brad and Heather, they are tremendous!! Can't wait until the Big Data series to begin, thank you for listening to our needs.

Jennifer Lackey,
Program Management

Omnikron classes are amazing! The students are so smart and fun to work with. A super shout out to the Omnikron team its been great getting all the support from Heather, Zuri, Robin and more! Keep up all the fabulous training!

Sam Torres,
Consultant, Project Manager,
Scrum Master & Scrum Coach

I've worked with Robin Borough and her team at Omnikron Systems Inc.now for the last nine years. They have been instrumental in helping walk me through the process to reaching an ITIL Expert certification and beyond. In addition to training, Robin and her team are dedicated to doing whatever is needed to help IT professionals set and achieve their objectives.

Keith Heider,
ITIL® Expert, PMP, DevOps
Business Systems Consultant,
ITIL® Process Specialist

You guys are the best! Brad Emm and Heather always go above and beyond to help me out when I need it. Hoping you publish the next installment of you "Career Accelerator" video series soon!

Tamara Boose,
Project Manager

You guys are AWESOME! What a positive experience. Special Thanks Thanks to Brad Emm (A+++). Brad thank you for your guidance, motivation and for sharing your contagious personality, you have truly build up my confidence level, and help minimize my test taking anxiety. Omnikron team ROCKS!!!!

Yvonne Hunter,
MCPM, Project Manager

I just passed my ITIL foundations exam. I used Omnikron Systems Inc. Live on-line training for the first time. I had a great experience from the comfort of my home. Thanks!

Scott Fischer,
Quality Assurance Engineer

Four years ago, I pursued the ITIL certification track and kept going up to the expert level. Omnikron never failed to support my goal and offered a great partnership. Robin and her team go beyond the professional level. They became a family who continued in believing and reinforced when you fall short. Thank you, Robin! Thank you, Omnikron!

Carlito Cubilla,
Customer Success Champion

The training indeed is truly great Brad, Heather & Eric all rock please keep up the good work.

Lora Blango,
Technical-Support Specialist

Robin – Wow – you did such a great job last night. After you left the group networked/talked for about 20 minutes, or so, and it was great. The feedback was very positive and your presentation really got the group thinking. Some great connections were made and honestly, that was the best meeting I've had with the group. I can't thank you enough for making time out of your busy day to do that presentation.

Jessica Short,
Sr. Manager,
Program Management for
Cloud Operations

Just wanted to state that I like the style of the training, very informative, and most importantly – the topics discussed – super actionable.

Oleg Hansen,
OPS

I really love working with you all as you are all so down to earth and helpful in every step of the process!

Jeanne Beaumariage,
PMP, MCPM, ITIL® v3 Expert
Sr. Project Manager

It was an excellent session today. It brought up some really good ways to keep project team engaged and maintain communication. I'll try to apply some of the technics you mentioned in this training and keep everyone interested in the team meetings. This was my first time taking one of this trainings but I plan to attend any future ones you may schedule. Thank you!

Adrian Raducea,
PE, PMP
Generation Optimization

First class organization. Omnikron thinks of everything! They are the best of the best. Just completed my 5th ITIL Intermediate class with them. Keep up the fantastic work!

Dale Hurd,
Integrated Solution
Development Manager

Just passed my CSI exam thanks to the support of Peter and Heather. The training site was really helpful. I spent the morning reviewing scenarios, and passed the exam in the afternoon. Also wanted to say the review that Peter gave and Eric's video were very helpful. Thanks.

Michael Hauser,
Project Management Specialist
